

Are you interested in becoming a Small Group Leader at DVBC?

What is needed?

Willingness - A small group leader is someone who is willing to open your home to others, to create community, fellowship, and grow deeper in relationship with others and with Christ

Teamwork - Find a good co-leader or co-lead couple. Once your group has begun meeting, identify someone or a couple who might make a great co-leader, able to host/facilitate your small group alongside you.

Training – Attend our annual Small Group Leader Training and learn how to do it. Or join a current group and serve as a co-leader for a season before leading your own group.

How do I host a group?

You get to decide how you want to host your group. You can meet at your home or share hosting with others in your group. You can also form your group around shared activities & interests (i.e., hiking, cooking, etc.).

What resources are available?

Desert View provides a weekly study guide that aligns with the sermon for that week. Or you can take advantage of the DVBC site-license to RightNow Media. Or you can bring in your own favorite Bible study program.
