

2026 Summer Camp Scholarship Application

Applications are due by Sunday, May 24th, 2026.

Hello and welcome to HSM's scholarship application! We are so glad you are reaching out to inquire how we can partner with you when sending your student to camp with us. We believe and have seen students respond to God at camp, and we want to make it possible for you to send your kid to camp with us.

This form does not register you for camp. Scholarships are available for families needing financial assistance to send their student(s) to camp. Awarded scholarships depend upon individual family needs and the number of scholarship forms received. If you register past the scholarship deadline, you will not be granted any scholarship for this camp. We will begin contacting families upon submission.
