

DESERT VIEW MEN'S AFFINITY GROUPS

SOFTBALL: Participate weekly as a team in the Men's Church Softball League at Anthem on Saturday evenings in March-May, and September-November.

ARCHERY: We exist to keep DVBC on target! Join us once a month for a time of fun, fellowship, and flinging arrows. Young or old, expert or novice, compound or recurve – all are welcome! Email Ben at brounds@dvbc.org for more information.

FITNESS: Men, join with us as we grow in our fitness, fellowship and faith. We have boot camp workouts as well as a hike followed by coffee.

SHOOTING: Hey all you gun lovers! We are getting together every 2nd Wednesday of the month at 6:00 pm to fellowship and shoot steel targets! It is a good time to learn to shoot in a competition setting and make friends with like minded men.

Off Road Adventures: Are you an adventurer like me? Always yearning to see what's over the next hill or mountain? Always anxious to see what God created in the wilder areas outside the city limits? If so... come join us on our next UTV/ATV ride.

Pickleball: A faith-based men's pickleball Infinity group brings together guys who want to grow in both skill and spiritual strength. The games are competitive and energetic, but the real win comes from the encouragement, accountability, and brotherhood shared on and off the court. Every session blends fellowship, prayer, and play, creating a space where men can challenge each other and be renewed.

If you would like more information about any of these groups, email Mike Bohlmann @ mbohlmann@dvbc.org.
