Crafters

The crafts group will meet again on July 14th at 1 PM in Room 205. Our project will be a mobile/windchime. I don't have a photo to give you, but suggest that you might like to bring things from home like old silverware or other little things you have collected and don't know what to do with!! Kathy will help you to put together a really fun project. She will provide hoops or twigs to start with and you can use your gifts to decorate them. Cost will be around \$5 again. Hope you can come and bring your crafty ideas.
