

Coming Back Together! (Here's What You Need to Know)

We are excited to host in-person worship services at Desert View once again!

In order to ensure a safe worship environment and reduce the likelihood of disease transmission, we have enacted the following guidelines:

- If you are feeling sick or are in a high risk category, ***please stay home*** and enjoy our service online.
- We ask that everyone ***follow social distancing guidelines*** and remain at least 6' apart from anyone who is not a member of your household.
- We ask that all attendees please take standard precautions, such as ***washing*** hands frequently, ***using*** hand sanitizer, ***sneezing*** into your elbow, and ***refraining*** from close personal contact (such as hugging or handshaking) with those outside your household.

Here are some additional measures we are taking:

- Initially, there will be **no nursery, kids, youth or adult elective ministries offered**. Of course, your whole family is welcome to join us for worship!
- Receptacles for tithes/offerings will not be distributed during services. Online giving will still be encouraged and the offering will be collected at stations as the congregation exits the building.
- No communion trays will be passed.
- In accordance with Maricopa County regulations for public spaces, masks/face coverings will be required for all in attendance.
- Doors will be propped open so you can enter/exit without touching door handles.
- ***No food or beverages*** will be served in worship center or lobby.
- Seating in auditorium will be rearranged to facilitate social distancing (rows removed, groups/individuals encouraged to maintain a 3 chair distance between household groups).
- At the end of services, ushers will dismiss by rows to four available exits to help maintain social distancing.
- High contact, high traffic surfaces will be cleaned/disinfected between/before services.

Thank you for doing all you can to help us to maintain these guidelines so we can safely reopen our facility! See you on campus soon!
