Elements: Overview

Speaker: Ben Rounds

What was the most important take-away for you from this week's message?

In your own words - how would you summarize today's message?

Discussion Questions

1. Why is a clear and compelling strategy or plan so important when it comes to accomplishing our mission?
2. Why do you think it's so important that Christians make corporate worship a real priority? Why is this challenging?
3. What's the benefit of real, Christ-centered community? What has helped you see these benefits in your own life?
4. What makes service so important? What difference does it make when God's people serve each other, their community, and the world? What happens when we fail to serve others?
5. What's your understanding of discipleship? If you're not actively engaged in discipling someone else, what stands in the way? What challenges do you need to overcome in this area?
6. **Apply It!** Which element of this strategy (Worship, Connect, Serve, or Disciple) is the most difficult for you to commit to? Why is this? How can your group help you engage in this area?
7. **Apply It!** What will you do, based on this passage, to better pursue our mission - to Live for God, to Love Each Other, and to Build God's Kingdom?

PRAY TOGETHER!

Please be praying for the launch of Fall ministries coming up in the next few weeks. Pray that God would guide each person at DVBC to engage in worship, connection, service, and discipleship - pray that God would use his people in powerful ways to make disciples and to have an impact in our community!
