In your own words - how would you summarize today's message?

ELEMENTS

BUILDING A DISCIPLE-MAKING CULTURE

Discussion Questions

1. Why do you think that real, meaningful Christian community is so difficult? Why is connecting with each other such a struggle?
2. What's the link between community (agape love) and Christian health and maturity in Philippians 1:9-11?
3. **Apply It!** How have you grown and developed personally (as a Christ-follower) as a result of Christian relationships?
4. Do you agree that strong, vibrant Christian community is vital if the church is to have an impact on the surrounding culture? Why or why not?
5. What role does Christian community play in the progress of discipleship in the church? Why is connecting so important if we wish to make disciples of Jesus Christ?
6. **Apply It!** What can you do to develop deeper, more meaningful Christian connections? In other words, how can you build more Christ-centered community into your life?
7. **Apply It!** What will you do, based on this passage, to better pursue our mission - to Live for God, to Love Each Other, and to Build God's Kingdom?

PRAY TOGETHER!

Please pray for revival and restoration of the culture that we live in. Pray against the schemes of the devil in our nation, and pray that God's people would rise up and take seriously the command to make disciples. Pray for an expanding, deepening move of disciple-making in the US, and may it start with Desert View!
