Additional Affinity Groups Possibilities

Still looking for some leadership for a Lunch/Brunch Bunch for after church. If you like to eat, this is an easy fix! Just let us know and we'll help make it happen.

We would really like to see more groups up and active in 2025, but we can't do it without your help. Please prayerfully consider how you might serve.

I believe there is some interest in a Crafts group also, More on that later.

Hi Senior Family! Just wanted to give you a reminder about our Home Touch ministry here at Desert View. Please take a look, and let us know if you are aware of anyone who could use this connection ministry on a long term or short-term basis.

In a world of isolation, Home Touch is a Desert View ministry with an opposite goal—connection with the family! For any number of reasons, DVBC attendees or their family members/close friends may not be able to attend any of the church family activities and opportunities for fellowship. They are not able as we are to regularly take part in great fellowship and growing opportunities like we can with our new Senior Ministry. Home Touch is a ministry designed to reach out and bring connection back to our church family. Our goal is to bring fellowship and friendship to their home—along with opportunities for assist with errands, light housework, provision of special treats, etc. all to promote fellowship opportunities.

The Home Touch ministry is designed not just for those who are permanently homebound, but anyone who has temporary restrictions such as after a surgery or during a period of illness. The team would also like to explore offering more services to those who at this point do not feel comfortable attending a large group setting, but would enjoy personal fellowship in their own home.

These folks do not have to live alone, but just be unable or find it difficult to get to the church onsite for whatever reason. They can live in their own home, or in any type of setting. If you have any interest in this ministry for yourself or someone else, call the church office. If you have more questions, or want more information, you can reach out to Judy Shoup or Patti Hartz. We would love to be the hands and feet of Jesus to you or your family/close friends! **Let's not isolate, let's celebrate our wonderful God together!!**
